

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF MICHIGAN  
SOUTHERN DIVISION

JOHN P. HUNTER,  
for himself and class members,

Plaintiff,

v.

FULTON FRIEDMAN & GULLACE LLP  
and ASSET ACCEPTANCE LLC,

Defendants.

---

**CLASS ACTION COMPLAINT**

**I. Introduction**

1. Plaintiff brings this class action against the defendant debt collectors, seeking damages and equitable relief, to redress Defendants' systemic violations of the Fair Debt Collection Practices Act ("FDCPA"), 15 U.S.C. § 1692 *et seq.*, and the Michigan Collection Practices Act ("MCPA"), M.C.L. § 445.251 *et seq.*

2. Defendants have filed thousands of post-judgment requests for writs of garnishment in Michigan courts in connection with efforts to collect debts from consumers. Michigan law states: "If the garnishee is not indebted to the defendant, does not hold any property subject to garnishment, and is not the defendant's employer, the plaintiff is not entitled to recover the costs of that garnishment." MCR 3.101(R). Despite this prohibition, Defendants routinely have rolled the costs of *unsuccessful* garnishments into the balance owed in subsequent requests for writs of garnishment, misrepresented the amounts owed by consumers, collected

amounts not owed by consumers, and violated the FDCPA and Michigan law.

## **II. Jurisdiction**

3. This Court has jurisdiction under 15 U.S.C. § 1692k(d) (FDCPA) and 28 U.S.C. §§ 1331 and 1337. This Court has supplemental jurisdiction regarding Plaintiff's state law claims under 28 U.S.C. § 1367. Venue in this judicial district is proper because Defendants transact business here, the pertinent events took place here, and Plaintiff resides here.

**(R) Costs and Fees.**

(1) Costs and fees are as provided by law or these rules.

(2) If the garnishee is not indebted to the defendant, does not hold any property subject to garnishment, and is not the defendant's employer, the plaintiff is not entitled to recover the costs of that garnishment.

MCR 3.101(R) (underlining supplied).

24. Defendants, in their Requests for Writ for Garnishment, wrongfully added the costs of prior unsuccessful writs of garnishment to the judgment balance and thereby misrepresented the amount allegedly owed by Plaintiff.

25. The Fair Debt Collection Practices Act states that it is unlawful for a debt collector to use any false, deceptive, or misleading representation or means in connection with the collection of any debt. 15 U.S.C. § 1692e.

26. The FDCPA states that it is unlawful for a debt collector to make a false representation of the character, amount, or legal status of any debt. 15 U.S.C. § 1692e(2)(A).

27. The FDCPA states that it is unlawful for a debt collector to communicate to any person credit information which is known or which should be known to be false. 15 U.S.C. § 1692e(8).

28. The FDCPA states that it is unlawful for a debt collector to use any false representation or deceptive means to collect or attempt to collect any debt. 15 U.S.C. § 1692e(10).

29. The FDCPA states that it is unlawful for a debt collector to use unfair or

unconscionable means to collect or attempt to collect any debt, including the collection of any amount (including any interest, fee, charge, or expense incidental to the principal obligation) unless such amount is expressly authorized by the agreement creating the debt or permitted by law. 15 U.S.C. § 1692f(1).

30. Defendants violated the FDCPA, 15 U.S.C. §§ 1692e and 1692e(2)(A), (8) and (10), and 1692f(1). *See, e.g., Watkins v. Peterson Enterprises, Inc.*, 57 F.Supp.2d 1102 (E.D.Wash. 1999).

31. The Michigan Collection Practices Act states that it is unlawful for a regulated person to make an inaccurate, misleading, untrue, or deceptive statement or claim in a communication to collect a debt. M.C.L. § 445.252(e).

32. The MCPA states that it is unlawful for a regulated person to misrepresent in a communication with a debtor the legal status of a legal action being taken or threatened or the legal rights of a creditor or debtor. M.C.L. § 445.252(f)(i) and (ii).

33. Defendants violated the MCPA, M.C.L. § 445.252(e), (f)(i) and (f)(ii).

34. Defendants' acts and omissions were done in connection with efforts to collect alleged debts from Plaintiff and members of the putative classes and were done intentionally and wilfully.

35. Defendants intentionally and wilfully violated the FDCPA and MCPA.

## **V. Class Allegations**

36. Pursuant to Fed.R.Civ.P. 23(a) and (b)(3), Plaintiff brings this action individually and on behalf of a class or classes of similarly situated persons.

37. Plaintiff proposes two classes.

38. The “Fulton Class” is comprised of persons with FDCPA and/or MCPA claims against Fulton Friedman & Gullace LLP and is defined to include: (a) each and every natural person that was a defendant in a lawsuit filed in any Michigan court; (b) against whom Fulton Friedman & Gullace LLP on behalf of the plaintiff filed a post-judgment request for writ for garnishment in the lawsuit; (c) representing in the request for writ for garnishment that the person had accrued and owed postjudgment costs in connection with a prior writ of garnishment; (d) but where no payment or credit was received by the plaintiff as a result of the prior writ for garnishment because the garnishee was not indebted to the person, did not hold any property subject to garnishment, and was not the person’s employer; (e) in an attempt to collect a debt incurred by the person for personal, family or household purposes.

39. The “Asset Class” is comprised of persons with FDCPA and/or MCPA claims against Asset Acceptance LLC and is defined to include: (a) each and every natural person that was a defendant in a lawsuit filed by Asset Acceptance LLC as plaintiff in any Michigan court; (b) against whom Asset Acceptance LLC as plaintiff filed a post-judgment request for writ for garnishment in the lawsuit; (c) representing in the request for writ for garnishment that the person had accrued and owed postjudgment costs in connection with a prior writ of garnishment; (d) but where no payment or credit was received by Asset Acceptance LLC or its agent as a result of the prior writ for garnishment because the garnishee was not indebted to the person, did not hold any property subject to garnishment, and was not the person’s employer; (e) in an attempt to collect a debt incurred by the person for personal, family or household purposes.

40. The FDCPA claims of Plaintiff and the members of each class are subject to a one-year statute of limitation. Accordingly, only those persons against whom a request for writ

for garnishment was filed during that period of time beginning one year prior to the date of filing of this complaint and ending on the date the classes are certified, may assert claims under the FDCPA.

41. The MCPA claims of Plaintiff and the members of each class are subject to a six-year statute of limitation. Accordingly, only those persons against whom a request for writ for garnishment was filed during that period of time beginning six years prior to the date of filing of this complaint and ending on the date the classes are certified, may assert claims under the MCPA.

42. Upon information and belief, each class consists of more than 1000 persons.

43. The members of each class are so numerous that joinder of all members is impracticable.

44. There are questions of law and fact common to all members of each class, which common questions predominate over any questions that affect only individual class members.

The predominate questions are:

- a) Whether Defendants were entitled to tax costs for unsuccessful writs for garnishments.
- b) Whether the requests for writs for garnishment filed by Defendants misrepresented that the class members owed postjudgment costs in connection with unsuccessful writs for garnishment.
- c) Whether Defendants used false, deceptive, or misleading representation or means in connection with the collection of any debt, in violation of the FDCPA, 15 U.S.C. §§ 1692e and 1692e(10).

- d) Whether Defendants made false representations regarding the character, amount, or legal status of debts, in violation of the FDCPA, 15 U.S.C. § 1692e(2)(A).
- e) Whether Defendants communicated credit information which Defendants knew or should have known was false, in violation of the FDCPA, 15 U.S.C. § 1692e(8).
- f) Whether Defendants used unfair or unconscionable means to collect or attempt to collect amounts not expressly authorized by the agreement creating the debt or permitted by law, in violation of the FDCPA, 15 U.S.C. § 1692f(1).
- g) Whether Defendants violated the MCPA, M.C.L. § 445.252(e), (f)(i) and (f)(ii).

45. Plaintiff's claims are typical of the claims of all class members. Plaintiff's claims and the claims of all class members are based on the same factual and legal theories.

46. Plaintiff will fairly and adequately protect and represent the interests of the members of each class. Plaintiff has retained counsel experienced in representing consumers in FDCPA litigation, including class actions brought under the FDCPA. Neither Plaintiff nor counsel have any interests that are adverse or inconsistent with the interests of the members of any class. Neither Plaintiff nor counsel have any interests that would cause them not to vigorously represent the interests of the members of each class and pursue this action.

47. Certification of the proposed classes under Fed.R.Civ.P. 23(b)(3) is appropriate in that:

- a) The questions of law or fact common to the members of the classes predominate over any questions affecting only individual members;
- b) A class action is superior to other available methods for fairly and efficiently adjudicating the controversy. Specifically:
  - 1) There is no compelling interest in having each class member individually controlling the prosecution of separate actions. Many consumers may not realize that their rights have been violated.
  - 2) Common relief is sought on behalf of all members of each class. The prosecution of separate actions by individual members of each class would create a risk of inconsistent or varying adjudications with respect to the individual members of each class, and a risk that any adjudications with respect to individual members of each class would, as a practical matter, either be dispositive of the interests of other members of each class not party to the adjudication, or substantially impair or impede their ability to protect their interests;
  - 3) Plaintiff's counsel have searched PACER and otherwise are unaware of any pending litigation filed on behalf of any putative class member against any defendant concerning this controversy;
  - 4) It is desirable to concentrate the litigation of the claims in this forum. Defendants regularly transact business in the Western District of Michigan. Defendants file hundreds (and more likely,

thousands) of debt collection lawsuits each year in Michigan courts located in the Western District of Michigan.

- 5) The management of the proposed class action will not be unusually difficult. The factual and legal issues raised by this class action complaint will not require extended contact with the members of each class. Defendants' conduct was perpetrated on all members of each class and will be established by common, written proof. Defendants' violations of the law are apparent and can be determined in scope and amount of actual damages, simply by reviewing the requests for writs of garnishment and other documents which the defendant law firm has in its records.
